Please let us know if you need any help by sending an email to support@make-the-cut.com

Thank you!

Technical Support:

Once you completed your purchase** you should get an email from Make the Cut. Make sure you keep this email for future reference. The code that you are interested in is the code that starts with "MTC"

For best practice make sure you copy the registration code only to your clipboard

**If you haven't purchased Make the Cut Software, please visit our [Purchase Page](#).

Basic Questions

Q: How do I copy text to clipboard?

A: Highlight the text that you are wanting to copy and use keyboard short cut CTRL+ C or Edit Menu> Copy.

Q: What if I don't see this email in my inbox?

A: - Check your junk email folder -some accounts are sensitive on what they will consider spam.

Q: I lost or can't find it in my junk folder

A: Try going to <http://make-the-cut.com/LostRegKey.aspx> and if that fails you will have to contact Make the Cut Support

Open your Make the Cut Software

When you open up Make the Cut software and it is an unregistered version you will see the splash screen. Just click on Register Product and a new window will appear

Copy and Paste Your Code

Because we have the registration code copied to our clipboard we can simply paste it into this Registration Code field. You can then click the accept button and your software is now registered.

Q: What is the Short Cut for Pasting?

A: CTRL+V or you can Right Click on the Mouse and Select Paste
