

eBird's Missing Species

KEY

(EX) - Extinct
(EW) - Extinct in the Wild
(CR-PE) ‡ - Critically Endangered, Possibly Extinct
(CR) - Critically Endangered
(EN) - Endangered
(VU) - Vulnerable
(NT) - Near Threatened
(LC) - Least Concern
(DD) - Data Deficient
(NE) - Not Evaluated
‡ = Designation made by BirdLife, not the IUCN

Sort	ORDER	FAMILY	SCIENTIFIC NAME	COMMON NAME	EBIRD CODE	IUCN STATUS	RANGE	SIGHTING PROBABILITY
1	Struthioniformes	Dromaiidae	<i>Dromaius ater</i>	King Island Emu	kiiemu1	EX	Formerly King I. (Australia). Extinct; last reported 1850	
2	Struthioniformes	Dromaiidae	<i>Dromaius baudinianus</i>	Kangaroo Island Emu	kaiemu1	EX	Formerly Kangaroo Island (South Australia). Extinct.	
3	Anseriformes	Anatidae	<i>Tadorna cristata</i>	Crested Shelduck	crshe1	CR	Siberia and Korea. Last confirmed record was 1964.	Highly unlikely
4	Anseriformes	Anatidae	<i>Rhodonessa caryophyllacea</i>	Pink-headed Duck	pihduc1	CR	India and Myanmar. Last confirmed report 1949.	Highly unlikely
5	Anseriformes	Anatidae	<i>Camptorhynchus labradorius</i>	Labrador Duck	labduc	EX	NE North America. Extinct; last reported 1875	
6	Anseriformes	Anatidae	<i>Mergus australis</i>	Auckland Islands Merganser	auimer1	EX	Formerly Auckland Is. Extinct; last reported 1902	
7	Galliformes	Megapodiidae	<i>Megapodius pritchardii</i>	Niuafouou Scrubfowl	niuscr1	EN	Forests of Niuafou'u I. (n Tonga)	Possible
8	Galliformes	Megapodiidae	<i>Megapodius nicobariensis</i>	Nicobar Scrubfowl	nicscr1	VU	Nicobar Islands	Possible
9	Galliformes	Megapodiidae	<i>Megapodius bernsteinii</i>	Sula Scrubfowl	sulscr1	VU	Lowlands of Banggai and Sula islands (off Sulawesi)	Possible
10	Galliformes	Cracidae	<i>Mitu mitu</i>	Alagoas Curassow	alacur1	EW	Coastal e Brazil (Alagoas); extinct in wild	
11	Galliformes	Cracidae	<i>Crax blumenbachii</i>	Red-billed Curassow	rebcu1	EN	Lowland forests of se Brazil (on verge of extinction)	Possible
12	Galliformes	Odontophoridae	<i>Odontophorus dileucos</i>	Tacarcuna Wood-Quail	tawqua1	VU	Extreme e Panama and adjacent nw Colombia (Chocó)	Possible
13	Galliformes	Phasianidae	<i>Francolinus swierstrai</i>	Swierstra's Francolin	swifra2	EN	Montane forests of w Angola (Cuanza Sul to Huila)	Possible
14	Galliformes	Phasianidae	<i>Rhizothera longirostris</i>	Long-billed Partridge	lobpar1	NT	Lowlands and hill forest in Malaysia, Sumatra, Borneo	Possible
15	Galliformes	Phasianidae	<i>Coturnix novaezelandiae</i>	New Zealand Quail	nezqua1	EX	Formerly New Zealand. Extinct; last reported 1875	
16	Galliformes	Phasianidae	<i>Perdica manipurensis</i>	Manipur Bush-Quail	mabqua1	EN	W Bengal, Manipur, and Assam (India)	Possible
17	Galliformes	Phasianidae	<i>Ophrysia superciliosa</i>	Himalayan Quail	himqua1	CR	w-c Himalayas. Last reported 1876	Highly unlikely
18	Galliformes	Phasianidae	<i>Xenoperdix udzungwensis</i>	Udzungwa Partridge	udzpar1	EN	Udzungwa highlands (Tanzania)	Possible
19	Galliformes	Phasianidae	<i>Arborophila rufipectus</i>	Sichuan Partridge	sicpar1	EN	SW China (hills of s-central Sichuan)	Possible
20	Galliformes	Phasianidae	<i>Lophophorus sclateri</i>	Sclater's Monal	scslon1	VU	Eastern Himalayas (India, Myanmar, China)	Possible
21	Galliformes	Phasianidae	<i>Lophura edwardsi</i>	Edwards's Pheasant	edwphe1	CR	Lowlands of central Vietnam (on verge of extinction in wild)	Possible
22	Galliformes	Phasianidae	<i>Polyplectron schleiermacheri</i>	Bornean Peacock-Pheasant	bopphe1	EN	Lowland primary forests of Borneo	Possible
23	Podicipediformes	Podicipedidae	<i>Tachybaptus rufolavatus</i>	Alaotra Grebe	alagre1	EX	Lake Alaotra, Madagascar. Extinct; last reported 1950	
24	Podicipediformes	Podicipedidae	<i>Podilymbus gigas</i>	Atitlan Grebe	atigre1	EX	Formerly Lake Atitlan, Guatemala. Extinct. Last reported 1986	
25	Podicipediformes	Podicipedidae	<i>Podiceps andinus</i>	Colombian Grebe	colgre1	EX	Formerly Andes of Colombia. Extinct; last reported 1977	
26	Procellariiformes	Procellariidae	<i>Pterodroma occulta</i>	Vanuatu Petrel	venpet1	NE	Presumed to breed on Banks Is. off n Vanuatu	Possible
27	Procellariiformes	Procellariidae	<i>Pseudobulweria aterrima</i>	Mascarene Petrel	maspet1	CR	Réunion (Mascarene Islands); ranges adjacent Indian Ocean	Possible
28	Procellariiformes	Hydrobatidae	<i>Oceanodroma macrodactyla</i>	Guadalupe Storm-Petrel	guspet	CR-PE	Guadalupe I. (Mexico); last reported 1912	Highly unlikely
29	Suliformes	Phalacrocoracidae	<i>Phalacrocorax perspicillatus</i>	Pallas's Cormorant	palcor1	EX	Islands in Bering Sea. Extinct; last seen 1852	
30	Suliformes	Phalacrocoracidae	<i>Phalacrocorax nivalis</i>	Heard Island Shag	heisha1	NE	Heard I. (s Indian Ocean)	Possible
31	Pelecaniformes	Ardeidae	<i>Ixobrychus novaezelandiae</i>	New Zealand Bittern	nezbit1	EX	Formerly South I. (New Zealand). Probably extinct	
32	Accipitriformes	Accipitridae	<i>Eutriorchis astur</i>	Madagascar Serpent-Eagle	maseag1	EN	Rainforests of ne Madagascar	Possible
33	Accipitriformes	Accipitridae	<i>Nisaetus floris</i>	Flores Hawk-Eagle	flohae1	CR	Lesser Sundas (Sumbawa, Komodo, Flores and Paloe)	Possible
34	Accipitriformes	Accipitridae	<i>Accipiter butleri</i>	Nicobar Sparrowhawk	nicspa1	VU	North and central Nicobar Islands	Possible
35	Accipitriformes	Accipitridae	<i>Erythrotriorchis buergersi</i>	Chestnut-shouldered Goshawk	chsgos1	DD	Montane forests of n and e New Guinea	Possible
36	Accipitriformes	Accipitridae	<i>Buteo archeri</i>	Archer's Buzzard	arcbuz1	NE	Highlands of n Somalia	Possible

37	Otidiformes	Otididae	Eupodotis humilis	Little Brown Bustard	libbus1	NT	Acacia and thornbush of e Ethiopia and n Somalia	Possible
38	Gruiformes	Rallidae	Canirallus beankaensis	Tsingy Wood-Rail	tsiwor1	NT	Locally in w Madagascar	Possible
39	Gruiformes	Rallidae	Rallina leucospila	White-striped Forest-Rail	wsfrai1	NT	Montane forests of w New Guinea (Vogelkop Peninsula)	Possible
40	Gruiformes	Rallidae	Rallina mayri	Mayr's Rail	mayrai1	DD	W New Guinea and NW Papua New Guinea	Highly unlikely
41	Gruiformes	Rallidae	Nesoclopeus poecilopterus	Bar-winged Rail	bawrai1	EX	Formerly Fiji. Extinct; last reported 1973	
42	Gruiformes	Rallidae	Gallirallus lafresnayanus	New Caledonian Rail	necrai1	CR	Forests of New Caledonia	Highly unlikely
43	Gruiformes	Rallidae	Gallirallus pacificus	Tahiti Rail	tahrai1	EX	Formerly Tahiti and adj. e Society Is.; last reported 1800	
44	Gruiformes	Rallidae	Gallirallus modestus	Chatham Islands Rail	chirai1	EX	Formerly Chatham Is. Extinct; last seen 1900	
45	Gruiformes	Rallidae	Gallirallus sharpei	Sharpe's Rail	sharai1	EX	Formerly Indonesia. Extinct; last seen 1900 [NOTE: This species no longer considered valid; will be removed in our 2014 taxonomic update]	
46	Gruiformes	Rallidae	Gallirallus dieffenbachii	Dieffenbach's Rail	dierai1	EX	Formerly Chatham Is. Extinct; last seen 1900	
47	Gruiformes	Rallidae	Gallirallus wakensis	Wake Island Rail	wairai1	EX	Formerly Wake Island. Extinct; last reported 1944	
48	Gruiformes	Rallidae	Gallirallus calayanensis	Calayan Rail	calrai1	VU	Northern Philippines (Calayan I.)	Possible
49	Gruiformes	Rallidae	Lewinia muelleri	Auckland Islands Rail	aurai1	VU	Auckland Islands (Adams and Disappointment)	Possible
50	Gruiformes	Rallidae	Aramides mangle	Little Wood-Rail	liwrai1	LC	Karekelong I. (Talaud Archipelago)	Possible
51	Gruiformes	Rallidae	Gymnocrex talaudensis	Talaud Rail	talrai1	EN	Karekelong I. (Talaud Archipelago)	Possible
52	Gruiformes	Rallidae	Amauornis magnirostris	Talaud Bush-hen	talbuh1	VU	Karekelong I. (Talaud Archipelago)	Possible
53	Gruiformes	Rallidae	Porzana palmeri	Laysan Rail	layrai	EX	Kosrea I. (Micronesia). Extinct; last reported 1828	
54	Gruiformes	Rallidae	Porzana sandwichensis	Hawaiian Rail	hawrai	EX	Formerly Hawaii. Extinct; last reported 1844	
55	Gruiformes	Rallidae	Porzana monasa	Kosrae Crane	kosrae1	EX	Kosrea I. (Micronesia). Extinct; last reported 1828	
56	Gruiformes	Rallidae	Megacrex inepta	New Guinea Flightless Rail	ngfrai1	NT	Coastal n New Guinea and lowlands of se New Guinea	Possible
57	Gruiformes	Rallidae	Cyanolimnas cerverai	Zapata Rail	zaprai1	CR	Zapata swamp of sw Cuba	Highly unlikely
58	Gruiformes	Rallidae	Porphyrio albus	Lord Howe Swamphen	lohswa1	EX	Formerly Lord Howe I. Extinct; last reported 1834	
59	Gruiformes	Rallidae	Gallinula silvestris	Makira Moorhen [San Cristobal Moorhen]	sacmoo1	CR	San Cristobal I. (Solomon Is.) Last recorded 1953. [NOTE: Common name changes with 2014 taxonomic update from San Cristobal Moorhen to Makira Moorhen]	Highly unlikely
60	Gruiformes	Rallidae	Gallinula pacifica	Samoan Moorhen	sammoo1	CR	Sava'i I. (w Samoa). Last confirmed record in 1873.	Highly unlikely
61	Gruiformes	Sarothruridae	Sarothrura lugens	Chestnut-headed Flufftail	chhflu1	LC	Swamps of Central Africa (Angola, Cameroon, DRC, w TZ)	Possible
62	Gruiformes	Sarothruridae	Sarothrura watersi	Slender-billed Flufftail	sibflu1	EN	Highlands of e Madagascar	Possible
63	Charadriiformes	Haematopodidae	Haematopus meadewaldoi	Canarian Oystercatcher	canoys1	EX	Formerly Canary Is. Extinct; last reported 1950	
64	Charadriiformes	Charadriidae	Vanellus macropterus	Sunda Lapwing	sunlap1	CR	Formerly Sumatra and Java. Last recorded ca 1920	Highly unlikely
65	Charadriiformes	Charadriidae	Charadrius sanctaehelenae	St. Helena Plover	sthplo1	CR	St. Helena I. (s Atlantic Ocean)	Possible
66	Charadriiformes	Scolopacidae	Prosobonia leucoptera	White-winged Sandpiper	whwsan1	EX	formerly Society Islands (Tahiti and Moorea). Extinct	
67	Charadriiformes	Scolopacidae	Coenocorypha barrierensis	North Island Snipe	noisni1	NE	North I., Browns I., and Little Barrier I., New Zealand; extinct	
68	Charadriiformes	Scolopacidae	Coenocorypha iredalei	South Island Snipe	soisni1	NE	Islands off Stewart I. (New Zealand); apparently extinct	
69	Charadriiformes	Scolopacidae	Coenocorypha chathamica	Forbes's Snipe	forsni1	NE	formerly Chatham Islands; extinct	
70	Charadriiformes	Scolopacidae	Scolopax celebensis	Sulawesi Woodcock	sulwoo1	NT	Montane forests of Sulawesi	Possible
71	Charadriiformes	Turnicidae	Turnix worcesteri	Luzon Buttonquail	luzbut1	DD	Luzon I. (n Philippines)	Possible
72	Charadriiformes	Glareolidae	Rhinoptilus bitorquatus	Jerdon's Courser	jercou1	CR	SE India (Andhra Pradesh). On verge of extinction	Possible
73	Charadriiformes	Alcidae	Pinguinus impennis	Great Auk	greauk	EX	N North Atlantic. Extinct; last reported 1844	
74	Columbiformes	Columbidae	Columba oliviae	Somali Pigeon	sompig1	DD	Arid coastal hills of n Somalia	Possible
75	Columbiformes	Columbidae	Columba argentina	Silvery Wood-Pigeon	siwpig1	CR	Sumatra, Borneo and adjacent islands	Possible
76	Columbiformes	Columbidae	Columba versicolor	Bonin Pigeon	bonpig1	EX	Formerly Bonin Is. Extinct; last reported 1889	
77	Columbiformes	Columbidae	Zenaida graysoni	Socorro Dove	socdov1	EW	Formerly Socorro I. (off w Mexico); small captive population	
78	Columbiformes	Columbidae	Columbina cyanopis	Blue-eyed Ground-Dove	begdov2	CR	Cerrado of s-central Brazil	Possible
79	Columbiformes	Columbidae	Raphus cucullatus	Dodo	dodo1	EX	Formerly Mauritius I. Extinct; last seen 1662	
80	Ardeidae	Threskiornithidae	Threskiornis solitarius [Raphus solitarius]	Reunion Ibis [Reunion Solitaire]	reusol1	EX	Formerly Réunion I. Extinct; last reported 1715. [Interestingly, the bird formerly considered the Reunion Solitaire is now considered the Reunion Ibis, and this change was applied i nthe 2014 taxonomic pdate. We leave it in its current position here to highlight this change and since it was counted as a Solitaire in some calculations]	
81	Columbiformes	Columbidae	Pezophaps solitaria	Rodrigues Solitaire	rodsol2	EX	Formerly Rodrigues I. Extinct; last reported 1770	
82	Columbiformes	Columbidae	Gallinolumba keayi	Negros Bleeding-heart	nebhea1	CR	Forests of Negros (central Philippines).	Possible
83	Columbiformes	Columbidae	Gallinolumba menagei	Sulu Bleeding-heart	subhea1	CR	Tawitawi I. (Sulu Archipelago).	Possible
84	Columbiformes	Columbidae	Gallinolumba salamonis	Thick-billed Ground-Dove	tbgdov1	EX	Solomon Islands (Ramos and San Cristobal). Possibly extinct	
85	Columbiformes	Columbidae	Gallinolumba rubescens	Marquesas Ground-Dove	margrd1	VU	Marquesas Islands (Fatuhuku and Hatuta'a)	Possible
86	Columbiformes	Columbidae	Microgoura meeki	Choiseul Pigeon	chopig1	EX	Formerly Choiseul I. (nw Solomon Is.). Extinct; last reported 1904	

87	Columbiformes	Columbidae	<i>Treron aromaticus</i>	Buru Green-Pigeon	pomgrp3	NE	S Moluccas (Buru), Tanahjampea, Kalao and Kalaotoa islands	Possible
88	Columbiformes	Columbidae	<i>Ptilinopus subularis</i>	Banggai Fruit-Dove	macfrd3	NT	Banggai Islands (Peleng and Banggai)	Possible
89	Columbiformes	Columbidae	<i>Ptilinopus mangoliensis</i>	Sula Fruit-Dove	macfrd2	NE	Sula Islands (Taliabu, Seho and Mangole)	Possible
90	Columbiformes	Columbidae	<i>Ptilinopus chalcurus</i>	Makatea Fruit-Dove	mafrov1	VU	Makatea I. (w Tuamotu Archipelago)	Possible
91	Columbiformes	Columbidae	<i>Ptilinopus huttoni</i>	Rapa Fruit-Dove	rafrov1	VU	Rapa I. (Austral Archipelago). Seriously threatened	Possible
92	Columbiformes	Columbidae	<i>Ptilinopus mercierii</i>	Red-moustached Fruit-Dove	rmfdov1	EX	Formerly Marquesas Is. Extinct; last reported 1950	
93	Columbiformes	Columbidae	<i>Ptilinopus arcanus</i>	Negros Fruit-Dove	nefdov1	CR	Negros (known from a 1953 specimen from Mt. Canlaon)	Highly unlikely
94	Columbiformes	Columbidae	<i>Alectroenas nitidissimus</i>	Mauritius Blue-Pigeon	mabpig2	EX	Formerly Mauritius I. Extinct; last seen 1840	
95	Columbiformes	Columbidae	<i>Ducula mindorensis</i>	Mindoro Imperial-Pigeon	miiipg2	EN	Highlands of Mindoro (central Philippines)	Possible
96	Columbiformes	Columbidae	<i>Ducula nicobarica</i>	Nicobar Imperial-Pigeon	gnimp2	NE	Nicobar Islands	Possible
97	Columbiformes	Columbidae	<i>Hemiphaga spadicea</i>	Norfolk Island Pigeon	noipig1	NE	Formerly Norfolk I. Extinct	
98	Columbiformes	Columbidae	<i>Gymnophaps mada</i>	Buru Mountain-Pigeon	lotmp1	LC	Montane forests of Buru (s Moluccas)	Possible
99	Cuculiformes	Cuculidae	<i>Carpococcyx viridis</i>	Sumatran Ground-Cuckoo	sugcuc1	CR	Lowlands and foothills of sw Sumatra (Basiran Mts.)	Possible
100	Cuculiformes	Cuculidae	<i>Coua delalandei</i>	Snail-eating Coua	snecou1	EX	Formerly Madagascar. Extinct; last reported 1834	
101	Strigiformes	Tytonidae	<i>Tyto aurantia</i>	Golden Masked-Owl	nebmao1	VU	New Britain (Bismarck Archipelago)	Possible
102	Strigiformes	Tytonidae	<i>Tyto almae</i>	Seram Masked-Owl	sermao1	NE	southern Moluccas (Seram)	Possible
103	Strigiformes	Tytonidae	<i>Tyto manusi</i>	Manus Masked-Owl	manow2	VU	Manus I. (Admiralty Islands)	Possible
104	Strigiformes	Tytonidae	<i>Tyto nigrobrunnea</i>	Taliabu Masked-Owl	talow1	EN	Taliabu I. (Sula Islands)	Possible
105	Strigiformes	Tytonidae	<i>Phodilus prigoginei</i>	Congo Bay-Owl	cobow1	EN	Second specimen in 50 years banded in mts. of e DRC in 1996	Possible
106	Strigiformes	Strigidae	<i>Otus mentawi</i>	Mentawai Scops-Owl	mesowl1	NT	Mentawi Islands (off w Sumatra)	Possible
107	Strigiformes	Strigidae	<i>Otus mindorensis</i>	Mindoro Scops-Owl	misow2	NT	Montane forests of Mindoro (Philippines)	Possible
108	Strigiformes	Strigidae	<i>Otus umbra</i>	Simeulue Scops-Owl	sisow1	NT	Simeulue I. (off nw Sumatra)	Possible
109	Strigiformes	Strigidae	<i>Otus enganensis</i>	Enggano Scops-Owl	ensow1	NT	Enggano I. (off sw Sumatra)	Possible
110	Strigiformes	Strigidae	<i>Otus alius</i>	Nicobar Scops-Owl	nicso1	DD	Great Nicobar I. (s Nicobar Islands)	Possible
111	Strigiformes	Strigidae	<i>Otus capnodes</i>	Anjouan Scops-Owl	ansow2	CR	Anjouan (Comoro Islands)	Possible
112	Strigiformes	Strigidae	<i>Otus moheliensis</i>	Moheli Scops-Owl	mohsco1	CR	Mohéli (Comoro Islands)	Possible
113	Strigiformes	Strigidae	<i>Otus mayottensis</i>	Mayotte Scops-Owl	maysco1	LC	Mayotte (Comoro Islands)	Possible
114	Strigiformes	Strigidae	<i>Glaucidium mooreorum</i>	Pernambuco Pygmy-Owl	perpyo1	CR	Eastern Brazil (southern Pernambuco)	Possible
115	Strigiformes	Strigidae	<i>Glaucidium albertinum</i>	Albertine Owlet	albow1	VU	Known from 5 specimens from ne DRC and n Rwanda	Possible
116	Strigiformes	Strigidae	<i>Strix davidi</i>	Pere David's Owl	pedow1	NE	Mountains of central China (se Qinghai and Sichuan)	Possible
117	Strigiformes	Strigidae	<i>Ninox spilonotus</i>	Romblon Boobook	romboo1	NE	Sibuyan and Tablas I. (Philippines)	Possible
118	Strigiformes	Strigidae	<i>Ninox leventisi</i>	Camiguin Boobook	camboo1	NE	Philippines (Camiguin Sur)	Possible
119	Strigiformes	Strigidae	<i>Ninox reyi</i>	Sulu Boobook	sulboo1	NE	Philippines (Sulu Archipelago on Sulu, Siasi, Tawi Tawi, and Sibutu)	Possible
120	Strigiformes	Strigidae	<i>Ninox burhani</i>	Togian Boobook	toghao1	NT	Togian Islands off Sulawesi	Possible
121	Strigiformes	Strigidae	<i>Ninox squampila</i>	Hantu Boobook	molhao4	LC	Buru and Seram (s Moluccas)	Possible
122	Strigiformes	Strigidae	<i>Sceloglaux albifacies</i>	Laughing Owl	lauow1	EX	Formerly New Zealand. Extinct; last reported 1970	
123	Caprimulgiformes	Aegothelidae	<i>Aegotheles savesi</i>	New Caledonian Owlet-Nightjar	nconig1	CR	Rediscovered 2000 on New Caledonia after a 119-year absence	Possible
124	Caprimulgiformes	Aegothelidae	<i>Aegotheles wallacii</i>	Wallace's Owlet-Nightjar	waonig1	DD	Mountains of w, c, and n New Guinea and Aru Islands	Possible
125	Caprimulgiformes	Aegothelidae	<i>Aegotheles affinis</i>	Vogelkop Owlet-Nightjar	barown2	NE	E highlands of Papua New Guinea and Arfak Mountains	Possible
126	Caprimulgiformes	Caprimulgidae	<i>Setopagis maculosa</i> [Setopagis ma	Cayenne Nightjar	caynig1	DD	Known from a 1917 specimen from French Guiana. [NOTE: Scientific name changes with 2014 taxonomic update from <i>S. maculosus</i> to <i>S. maculosa</i>]	Highly unlikely
127	Caprimulgiformes	Caprimulgidae	<i>Siphonorhis americana</i>	Jamaican Pauraque	jampau	CR-PE	Jamaica; last reported 1860.	Highly unlikely
128	Caprimulgiformes	Caprimulgidae	<i>Caprimulgus centralasicus</i>	Vaurie's Nightjar	vaunig1	DD	W China (known from a 1960 specimen from w Xinjiang)	Highly unlikely
129	Caprimulgiformes	Caprimulgidae	<i>Caprimulgus meesi</i>	Mees's Nightjar	meenig1	LC	Lesser Sundas (Sumba and Flores)	Possible
130	Caprimulgiformes	Caprimulgidae	<i>Caprimulgus solala</i>	Nechisar Nightjar	necnig1	VU	Described from one wing from a road corpse found in Ethiopia	Highly unlikely
131	Caprimulgiformes	Caprimulgidae	<i>Caprimulgus prigoginei</i>	Itombwe Nightjar	itonig1	EN	Single 1955 specimen from e DRC (Itombwe Forest)	Highly unlikely
132	Apodiformes	Apodidae	<i>Aerodramus nuditarisus</i>	Bare-legged Swiftlet	balswi1	LC	Mountains of central and e New Guinea	Possible
133	Apodiformes	Apodidae	<i>Aerodramus orientalis</i>	Mayr's Swiftlet	maysw1	DD	Known from 3 specimens; Guadalcanal, New Ireland, and Bougainville	Highly unlikely
134	Apodiformes	Apodidae	<i>Aerodramus papuensis</i>	Papuan Swiftlet	papsw1	DD	N New Guinea (Idenburg River to Huon Peninsula)	Highly unlikely
135	Apodiformes	Apodidae	<i>Schoutedenapus schoutedeni</i>	Schouteden's Swift	schsw1	VU	Known from five specimens (1956-59) from e DRC	Highly unlikely
136	Apodiformes	Trochilidae	<i>Threnetes niger</i>	Sooty Barbthroat	soobar1	LC	French Guyana and northeastern Brazil	Possible
137	Apodiformes	Trochilidae	<i>Helianthus zuzii</i>	Bogotá Sunangel	bogsun2	DD	Known from a single 1909 trade skin from Bogotá	Highly unlikely
138	Apodiformes	Trochilidae	<i>Discosura letitia</i>	Coppery Thornail	coptho2	DD	Known from three specimens ca 1852 labeled from "Bolivia"	Highly unlikely
139	Apodiformes	Trochilidae	<i>Metallura iracunda</i>	Perija Metallail	permet1	EN	Sierra de Perijá (Colombia/Venezuela border)	Possible
140	Apodiformes	Trochilidae	<i>Eriocnemis isabellae</i>	Gorgeted Puffleg	gorpuf1	CR	Serranía del Pinche, sw Cauca, Colombia	Possible

141	Apodiformes	Trochilidae	Eriocnemis godini	Turquoise-throated Puffleg	tutpuf1	CR-PE	Andes of nw Ecuador and (?) sw Colombia	Highly unlikely
142	Apodiformes	Trochilidae	Eriocnemis mirabilis	Colorful Puffleg	colpuf2	CR	W slope of Western Andes of Colombia (Cauca)	Possible
143	Apodiformes	Trochilidae	Chlorostilbon olivaresi	Chiribiquete Emerald	chieme1	LC	SE Colombia (Sierra de Chiribiquete)	Possible
144	Apodiformes	Trochilidae	Chlorostilbon bracei	Brace's Emerald	braeme1	EX	Formerly n Bahamas. Extinct; last reported 1877	
145	Apodiformes	Trochilidae	Campylopterus duidae	Buff-breasted Sabrewing	bubsab1	LC	Tepuis of s Venezuela	Possible
146	Coraciiformes	Alcedinidae	Todiramphus enigma	Talau Kingfisher	talkin1	NT	Talau Islands (Karakelong and Salebabu)	Possible
147	Coraciiformes	Alcedinidae	Todiramphus godeffroyi	Marquesas Kingfisher	markin2	CR	S Marquesas Islands (Hivaoa, Tahuata and Fatuhiva)	Possible
148	Coraciiformes	Alcedinidae	Todiramphus gambieri	Tuamotu Kingfisher	tuakin1	CR	Niau I. Formerly Mangareva (Tuamotu Archipelago)	Possible
149	Coraciiformes	Alcedinidae	Tanyiptera ellioti	Kofiau Paradise-Kingfisher	kopkin1	VU	Kofiau I. (w Papuan islands)	Possible
150	Coraciiformes	Alcedinidae	Tanyiptera carolinae	Numfor Paradise-Kingfisher	nupkin1	NT	Numfor I. (off w New Guinea)	Possible
151	Coraciiformes	Bucerotidae	Anthracoseros montani	Sulu Hornbill	sulhor2	CR	Sulu Archipelago (Jolo, Tawitawi and Sanga Sanga)	Possible
152	Coraciiformes	Bucerotidae	Aceros waldeni	Writhe-billed Hornbill	wrbhor1	CR	Central Philippines (Panay, Guimaras and Negros)	Possible
153	Coraciiformes	Bucerotidae	Aceros narcondami	Narcondam Hornbill	narhor1	EN	Lowland forests of Narcondam I. (Andaman Islands)	Possible
154	Galbuliformes	Bucconidae	Nonnula amaurocephala	Chestnut-headed Nunlet	chhnun1	LC	NW Brazil n of Amazon and w of Rio Negro	Possible
155	Piciformes	Lybiidae	Pogonius makawai	White-chested Tinkerbird	whctin1	DD	Known only from a single specimen from Mayau, nw Zambia	Highly unlikely
156	Piciformes	Picidae	Picumnus fuscus	Rusty-necked Piculet	runpic1	LC	NE Bolivia (Beni) and w-central Brazil (extreme w Mato Grosso)	Possible
157	Piciformes	Picidae	Dendrocopos ramsayi	Sulu Woodpecker	phiwoo3	VU	Sulu Arch. (Bongao, Jolo, Tawitawi, Sanga Sanga and Sibutu)	Possible
158	Falconiformes	Falconidae	Caracara lutosa	Guadalupe Caracara	guacar2	EX	Formerly Guadalupe I. (Mexico); last reported 1900	
159	Psittaciformes	Strigopidae	Nestor productus	Norfolk Island Kaka	noikak1	EX	Formerly Norfolk I. and Phillip I. Extinct; last reported 1851	
160	Psittaciformes	Psittacidae	Eos histrio	Red-and-blue Lory	rablor1	EN	Sangihe, Siau, Ruang, and Talau Is.	Possible
161	Psittaciformes	Psittacidae	Eos semilarvata	Blue-eared Lory	blelor1	LC	Montane forests of Seram (s Moluccas)	Possible
162	Psittaciformes	Psittacidae	Psitteuteles iris	Iris Lorikeet	irilor1	NT	Temar and Wetar (e Lesser Sundas)	Possible

321	Passeriformes	Leiothrichidae	Trochalopteron ngoclinhense [Troch	Golden-winged Laughingthrush	gowlau1	VU	Western highlands of Vietnam (Mount Ngoc Linh). [NOTE: Minor scientific name change in 2014 taxonomic update from T. ngoclinhensis to T. ngoclinhense]	Possible
322	Passeriformes	Muscicapidae	Melaenornis annamarulae	Nimba Flycatcher	nimfly1	VU	Humid forests of e Sierra Leone to Liberia and s Ivory Coast	Possible
323	Passeriformes	Muscicapidae	Cyornis ruckii	Rueck's Blue-Flycatcher	rubfly1	CR	Known from four specimens ca 1919 from ne Sumatra	Highly unlikely
324	Passeriformes	Muscicapidae	Cyornis magnirostris	Large Blue-Flycatcher	larblf1	LC	Himalayas (Nepal to Bangladesh); > to pen. Thailand	Possible
325	Passeriformes	Muscicapidae	Cyornis nicobaricus	Nicobar Jungle-Flycatcher	nicjuf1	NE	S China (Guangxi); > to Nicobar Islands	Possible
326	Passeriformes	Muscicapidae	Cyornis colonus	Henna-tailed Jungle-Flycatcher	hjfly1	NT	Sula and Banggai Is, e Sulawesi	Possible
327	Passeriformes	Muscicapidae	Eumyias additus	Buru Jungle-Flycatcher	burjuf1	NT	Forests of Buru (s Moluccas)	Possible
328	Passeriformes	Muscicapidae	Cossypha heinrichi	White-headed Robin-chat	whrcha1	VU	Savanna and forests of nw Angola and adjacent w DRC	Possible
329	Passeriformes	Muscicapidae	Sheppardia gabela	Gabela Akalat	gabaka1	EN	Angola (humid montane forests of Gabela escarpment)	Possible
330	Passeriformes	Muscicapidae	Sheppardia aurantiithorax	Rubeho Akalat	rubaka1	EN	Montane forests of e Tanzania (Rubehos and Ukagura Mts.)	Possible
331	Passeriformes	Muscicapidae	Vauriella insignis	Rusty-flanked Jungle-Flycatcher	rufjuf1	VU	Montane forests of n Luzon (n Philippines)	Possible
332	Passeriformes	Muscicapidae	Brachypteryx hyperythra	Rusty-bellied Shortwing	rubsho1	NT	NE India (Sikkim to Arunachal Pradesh) to sw China (Yunnan)	Possible
333	Passeriformes	Muscicapidae	Ficedula buruensis	Cinnamon-chested Flycatcher	cicfly1	LC	Buru, Seram, and Kai Besar (s Moluccas)	Possible
334	Passeriformes	Muscicapidae	Ficedula bonthaina	Lompobattang Flycatcher	lomfly1	EN	SW Sulawesi (Lompobattang massif)	Possible
335	Passeriformes	Turdidae	Geokichla oberlaenderi	Oberlaender's Ground-Thrush	obgthr1	NT	Lowlands of e DRC and w Uganda (Bwamba Forest)	Possible
336	Passeriformes	Turdidae	Geokichla dumasi	Buru Thrush	burthr1	NT	Mid-mountain forests of Buru (s Moluccas)	Possible
337	Passeriformes	Turdidae	Geokichla joiceyi	Seram Thrush	serthr2	NT	Mid-mountain forests of Seram (s Moluccas)	Possible
338	Passeriformes	Turdidae	Geokichla leucolaema	Enggano Thrush	engthr1	NT	Enggano I. (off w Sumatra)	Possible

339	Passeriformes	Turdidae	<i>Geokichla mendeni</i>	Red-and-black Thrush	rabthr1	NT	Peleng I. (Banggai Islands)	Possible
340	Passeriformes	Turdidae	<i>Zoothera terrestris</i>	Bonin Thrush	bonthr2	EX	Formerly Bonin Is. Extinct; last reported 1889	
341	Passeriformes	Turdidae	<i>Zoothera talaseae</i>	New Britain Thrush	nebthr1	NT	Bismarck Archipelago (New Britain and Umboi) and Bougainville	Possible
342	Passeriformes	Turdidae	<i>Nesocichla eremita</i>	Tristan Thrush	trithr1	NT	Inaccessible, Nightingale, and Tristand da Cunha Islands (s Atlantic Ocean)	Possible
343	Passeriformes	Turdidae	<i>Myadestes woahensis</i>	Amamai	amaui	EX	Formerly Oahu. Extinct; last reported 1825	
344	Passeriformes	Turdidae	<i>Myadestes lanaiensis</i>	Olomao	olomao	CR-PE	Montane forests of Molokai (Mt. Olokui). Formerly Lanai.	Highly unlikely
345	Passeriformes	Turdidae	<i>Turdus ludoviciae</i>	Somali Thrush	somthr1	VU	Mountains of n Somalia	Possible
346	Passeriformes	Turdidae	<i>Turdus ravidus</i>	Grand Cayman Thrush	grcthr1	EX	Formerly Grand Cayman I. Extinct; last reported 1938	
347	Passeriformes	Sturnidae	<i>Aplonis santovestris</i>	Mountain Starling	mousta1	VU	Espíritu Santo (Vanuatu)	Possible
348	Passeriformes	Sturnidae	<i>Aplonis pelzelni</i>	Pohnpei Starling	pohsta1	CR	Rediscovered 1995 in mountains of Pohnpei after 50-year absence	Possible
349	Passeriformes	Sturnidae	<i>Aplonis corvina</i>	Kosrae Starling	kossta1	EX	Formerly Kosrae I. (Micronesia). Extinct; last reported 1880	
350	Passeriformes	Sturnidae	<i>Aplonis mavornata</i>	Mysterious Starling	myssta1	EX	Formerly Cook Is. Extinct; last reported 1825	
351	Passeriformes	Sturnidae	<i>Aplonis fusca</i>	Norfolk Starling	norsta1	EX	Formerly Norfolk Is. Extinct; last reported 1923	
352	Passeriformes	Sturnidae	<i>Streptocitta albertinae</i>	Bare-eyed Myna	baemyn1	NT	Sula Islands (Taliabu and Mangole)	Possible
353	Passeriformes	Sturnidae	<i>Gracula enganensis</i>	Enggano Myna	engmyn1	NE	Enggano I. (off s Sumatra)	Possible
354	Passeriformes	Sturnidae	<i>Gracula robusta</i>	Nias Myna	niamyn1	NE	Nias, Pulan, Babi, Tuangku and Bangkaru islands (off Sumatra)	Possible
355	Passeriformes	Sturnidae	<i>Necropsar rodericanus</i>	Rodrigues Starling	rodsta2	EX	Formerly Rodrigues I. Extinct; last reported 1750	
356	Passeriformes	Sturnidae	<i>Fregilupus varius</i>	Reunion Starling	reusta1	EX	Formerly Réunion I. Extinct; last reported 1860	
357	Passeriformes	Sturnidae	<i>Rhabdomis rabori</i>	Visayan Rhabdomis	visrha1	NE	Philippines (Negros)	Possible
358	Passeriformes	Dicaeidae	<i>Dicaeum erythrothorax</i>	Buru Flowerpecker	fibflo2	LC	Buru (s Moluccas)	Possible
359	Passeriformes	Dicaeidae	<i>Dicaeum nitidum</i>	Louisiade Flowerpecker	louflo1	LC	Tagula, Misimia, and Rossel Islands (Louisiade Archipelago)	Possible
360	Passeriformes	Nectariniidae	<i>Nectarinia bocagei</i>	Bocage's Sunbird	bocsun2	LC	Highlands of central Angola and sw DRC	Possible
361	Passeriformes	Nectariniidae	<i>Cinnyris rockefelleri</i>	Rockefeller's Sunbird	rocsun2	VU	Alpine moorlands of e DRC (Albertine Rift Mts.)	Possible
362	Passeriformes	Nectariniidae	<i>Cinnyris congensis</i>	Congo Sunbird	consun2	LC	DRC and Congo (banks of upper Congo and Ubangi rivers)	Possible
363	Passeriformes	Nectariniidae	<i>Cinnyris oustaleti</i>	Oustalet's Sunbird	oussun2	LC	Angola and Malawai	Possible
364	Passeriformes	Nectariniidae	<i>Aethopyga tibolii</i>	Tboli Sunbird	tbosun1	NE	S Philippines (mts. of s Mindanao)	Possible
365	Passeriformes	Motacillidae	<i>Macronyx grimwoodi</i>	Grimwood's Longclaw	grilon1	DD	Wet grasslands of e Angola to sw DRC and extreme nw Zambia	Possible
366	Passeriformes	Mohoidae	<i>Moho braccatus</i>	Kauai Oo	kauoo	EX	Formerly Kauai. Extinct; last reported 1987	
367	Passeriformes	Mohoidae	<i>Moho apicalis</i>	Oahu Oo	oahoo	EX	Formerly Oahu. Extinct; last reported 1850	
368	Passeriformes	Mohoidae	<i>Moho bishopi</i>	Bishop's Oo	bisoo	EX	Formerly Molokai and Maui. Extinct; last reported 1981	
369	Passeriformes	Mohoidae	<i>Moho nobilis</i>	Hawaii Oo	hawoo	EX	Formerly Hawaii. Extinct; last reported 1898	
370	Passeriformes	Mohoidae	<i>Chaetoptila angustipluma</i>	Kioea	kioea	EX	Formerly Hawaii. Extinct; last reported 1900	
371	Passeriformes	Parulidae	<i>Myioborus cardonai</i>	Saffron-breasted Redstart	sabred1	NT	Tepuis of s Venezuela (Cerro Guaiquinima in w-central Bolívar)	Possible
372	Passeriformes	Parulidae	<i>Myioborus albifacies</i>	White-faced Redstart	whfred1	LC	Tepuis of s Venezuela (Cerro Guany, Yaví and Paraque)	Possible
373	Passeriformes	Thraupidae	<i>Nemosia rourei</i>	Cherry-throated Tanager	chttan1	CR	SE Brazil (rediscovered after 47-year absence in Espírito Santo)	Possible
374	Passeriformes	Thraupidae	<i>Diglossa duidae</i>	Scaled Flowerpiercer	scaflo1	LC	Tepuis of s Venezuela	Possible
375	Passeriformes	Thraupidae	<i>Nesospiza wilkinsi</i>	Wilkins's Finch	wilfin1	EN	Inaccessible and Nightingale Islands (s Atlantic Ocean)	Possible
376	Passeriformes	Thraupidae	<i>Emberizoides duidae</i>	Duida Grass-Finch	dugfin1	NT	Tepuis of s Venezuela (Cerro Duida in Amazonas)	Possible
377	Passeriformes	Emberizidae	<i>Atlapetes blancae</i>	Antioquia Brush-Finch	antbrf1	CR	n Central Andes of Colombia (Antioquia)	Highly unlikely
378	Passeriformes	Emberizidae	<i>Atlapetes terborghi</i>	Vilcabamba Brush-Finch	vilbrf1	NT	Andes of se Peru (Cordillera Vilcabamba)	Possible
379	Passeriformes	Emberizidae	<i>Emberiza koslowi</i>	Tibetan Bunting	tibbun1	NT	W China (borders of arid Tibet, sw Qinghai and Sichuan)	Possible
380	Passeriformes	Emberizidae	<i>Emberiza vincenti</i>	Vincent's Bunting	vinbun1	NE	Central Malawi to adjacent n Mozambique and e Zambia	Possible
381	Passeriformes	Icteridae	<i>Cacicus koepckeae</i>	Selva Cacique	selcac1	EN	SE Peru (known from 3 locations in se Peru)	Possible
382	Passeriformes	Fringillidae	<i>Leucosticte sillemi</i>	Tawny-headed Mountain-Finch	tahmf1	DD	Mountains of western Tibet	Highly unlikely
383	Passeriformes	Fringillidae	<i>Psittirostra psittacea</i>	Ou	ou	CR-PE	Humid montane forests of Hawaiian Islands (Hawaii and Kauai)	Highly unlikely
384	Passeriformes	Fringillidae	<i>Dysmorodrepanis munroi</i>	Lanai Hookbill	lanhoo	EX	Formerly Lanai. Extinct; last reported 1920	
385	Passeriformes	Fringillidae	<i>Rhodacanthis flaviceps</i>	Lesser Koa-Finch	lekfin	EX	Formerly Hawaii. Extinct; last reported 1891	
386	Passeriformes	Fringillidae	<i>Rhodacanthis palmeri</i>	Greater Koa-Finch	grkfin	EX	Formerly Hawaii. Extinct; last reported 1896	
387	Passeriformes	Fringillidae	<i>Chloridops kona</i>	Kona Grosbeak	kongro	EX	Formerly Hawaii. Extinct; last reported 1894	
388	Passeriformes	Fringillidae	<i>Hemignathus sagittirostris</i>	Greater Amakihi	greama	EX	Formerly Hawaii. Extinct; last reported 1901	
389	Passeriformes	Fringillidae	<i>Hemignathus obscurus</i>	Lesser Akialoa	lesaki	EX	Formerly Hawaii. Extinct; last reported 1940	
390	Passeriformes	Fringillidae	<i>Hemignathus ellisianus</i>	Greater Akialoa	greaki1	EX	Formerly Lanai, Oahu and Kauai. Extinct ca 1969	
391	Passeriformes	Fringillidae	<i>Hemignathus lucidus</i>	Nukupuu	nukupu	CR-PE	Wet ohia forests of Hawaii, Maui, and Kauai	Highly unlikely
392	Passeriformes	Fringillidae	<i>Paroreomyza maculata</i>	Oahu Alauahio	ulahaw	CR-PE	Humid montane forests of Oahu	Highly unlikely

393	Passeriformes	Fringillidae	Paroreomyza flammea	Kakawahie	kakawa	EX	Formerly Molokai. Extinct; last reported 1963	
394	Passeriformes	Fringillidae	Ciridops anna	Ula-ai-hawane	ulahaw	EX	Formerly Hawaii. Extinct; last reported 1937	
395	Passeriformes	Fringillidae	Drepanis pacifica	Hawaii Mamo	hawmam1	EX	Formerly Hawaii. Extinct; last reported 1898	
396	Passeriformes	Fringillidae	Drepanis funerea	Black Mamo	blkmam	EX	Formerly Molokai. Extinct; last reported 1907	
397	Passeriformes	Fringillidae	Carpodacus grandis	Blyth's Rosefinch	blyros1	NE	Mountains of nw Afghanistan, Pakistan, Ladakh and Kumaon	Possible
398	Passeriformes	Fringillidae	Carduelis johannis	Warsangli Linnet	warlin1	EN	Montane juniper forests of n Somalia	Possible
399	Passeriformes	Fringillidae	Chaunoproctus ferreorostris	Bonin Grosbeak	bongro1	EX	Formerly Bonin Is. Extinct; last reported 1900	
400	Passeriformes	Fringillidae	Rhynchostruthus louisiae	Somali Grosbeak	somgro1	NT	Mts. of n Somalia near Ethiopian border	Possible
401	Passeriformes	Ploceidae	Malimbus ibadanensis	Ibadan Malimbe	ibamal1	EN	Savanna of sw Nigeria	Possible
402	Passeriformes	Ploceidae	Ploceus flavipes	Yellow-legged Weaver	yelwea2	DD	NE DRC (Ituri Forest)	Possible
403	Passeriformes	Ploceidae	Ploceus batesi	Bates's Weaver	batwea1	EN	Lowland forests of s Cameroon	Possible
404	Passeriformes	Ploceidae	Ploceus temporalis	Bocage's Weaver	bocwea1	LC	Riparian grasslands of Angola to se DRC and nw Zambia	Possible
405	Passeriformes	Ploceidae	Ploceus reichardi	Tanganyika Masked-Weaver	tanmaw1	LC	Swamps of sw Tanzania (Karema to Rukwa) and Zambia	Possible
406	Passeriformes	Ploceidae	Ploceus ruweti	Lake Lufira Masked-Weaver	laimaw1	LC	SE DRC (swamps in vicinity of Lake Lufira)	Possible
407	Passeriformes	Ploceidae	Ploceus aureonucha	Golden-naped Weaver	gonwea1	EN	NE DRC (Ituri Forest north of Beni)	Possible
408	Passeriformes	Ploceidae	Ploceus dorsomaculatus	Yellow-capped Weaver	yecwea1	LC	S Cameroon to Gabon, Central African Republic and ne DRC	Possible
409	Passeriformes	Estrildidae	Estrilda poliopareia	Anambra Waxbill	anawax1	VU	S Nigeria (Niger River delta to Benin border)	Possible
410	Passeriformes	Estrildidae	Estrilda nigriloris	Black-lored Waxbill [Black-faced Waxb]	blfwax1	DD	Swamps of se Zaire (no published records since 1950) [NOTE: Common name changes 4 Aug 2014 from Black-faced Waxbill to Black-lored Waxbill]	Highly unlikely
411	Passeriformes	Estrildidae	Lagonosticta landanae	Pale-billed Firefinch	pabfir1	LC	Cabinda and lower Congo River to nw Angola and s Zaire	Possible
412	Passeriformes	Estrildidae	Lagonosticta virata	Mali Firefinch	malfir1	LC	SE Senegal and s Mali (upper Niger River to Guinea border)	Possible
413	Passeriformes	Estrildidae	Lagonosticta umbrinodorsalis	Reichenow's Firefinch	reifir1	NE	Dry grasslands of s Chad and adjacent n Cameroon	Possible
414	Passeriformes	Estrildidae	Erythrura viridifacies	Green-faced Parrotfinch	grfpar1	VU	N Philippines (Luzon and Negros)	Possible
415	Passeriformes	Estrildidae	Erythrura papuana	Papuan Parrotfinch	pappar1	LC	Mountains of New Guinea (Vogelkop Pen. to southeast ranges)	Possible
416	Passeriformes	Estrildidae	Erythrura regia	Royal Parrotfinch	roypar1	VU	N Vanuatu and Banks Group	Possible
417	Passeriformes	Estrildidae	Lonchura nevermanni	Gray-crowned Munia	gycmun1	LC	New Guinea (Kurik and Mapa areas to lower Fly River)	Possible
418	Passeriformes	Estrildidae	Lonchura nigerrima	New Hanover Munia	nehmun1	LC	New Hanover (Bismarck Archipelago)	Possible
419	Passeriformes	Estrildidae	Lonchura stygia	Black Munia	blamun1	NT	S New Guinea (Trans-Fly lowlands)	Possible
420	Passeriformes	Viduidae	Vidua nigeriae	Quailfinch Indigobird	quaind1	LC	Discontinuous in Gambia, Mali, Nigeria, Cameroon and Sudan	Possible
421	Passeriformes	Viduidae	Vidua maryae	Jos Plateau Indigobird	jopind1	LC	N Nigeria (Jos Plateau)	Possible
