

**SOAPBOX IS A BUSINESS TOOL THAT HARNESSSES THE POWER** of the frontline to find solutions to important business challenges. Articulating your business goals helps you focus on finding, responding to, and progressing the inputs that matter most to you. We've included goals set by a Warehouse Manager as an example to help you get started.

## 1 MY BUSINESS GOALS FOR THIS YEAR ARE:

A. 

*ex. Settle on, purchase and implement an inventory management system*

B. 

*ex. Create efficiencies in our warehouse-to-store process*

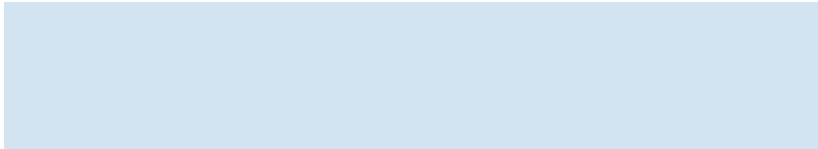

C. 

*ex. Increase employee productivity*

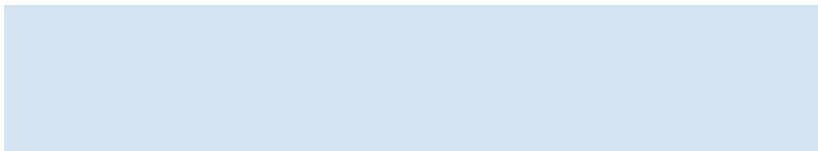

## 2 I WANT TO FIND INPUT ON SOAPBOX THAT WILL HELP ME:

A. 

*ex. Know the requirements needed for the right inventory management system*

B. 

*ex. Bring our warehouse-to-store shipping time down from three days to two days*

C. 

*ex. Discover innovative management techniques to improve employee motivation and encourage teamwork*
