

Form: Authority to act on your behalf

About this form

This form allows you to nominate another person or organisation (such as a family member, financial counsellor or welfare agency) to act on your behalf regarding your Mojo account.

Your nominated person can make enquiries and give instructions to Mojo for you. Mojo can also contact your nominated person on your behalf and give them information on your account. If you nominate an organisation rather than an individual, you authorise the organisation's employees and volunteers to act on your behalf.

You can change or cancel this authority at any time by contacting us or nominating a cancellation date below:
