

# Sharing Additional Files With Your Organization

We're changing how you add and share extra files with your organizations....It's used be a box on the left - but now it's a step! Organizations can also make certain forms required, like a specific third party waiver or a licensing requirement, like an immunization record on a state form. You'll be able to tell by the **red asterisk\***.

**Brick Downey**

1. Contact Info
2. Dependent's Details +
3. Family Info +
4. Emergency Contacts +
5. Medical Info +
6. Medications and Treatments +
7. History & Requirements +
8. Shared Files +
9. Complete Info +

Be sure to add your file under the correct category to help your organization in filtering and locating the correct documents.

**Shared Files for Summer Camp** \* Indicates required fields

Please note uploading additional files is optional unless (orgName) requires a specific document or image – this will be denoted by a red asterisk. You can skip this step if no files are required and you do not have anything such as a Medical Plan or Doctor's Note you wish to share.
